OFFICE, EDUCATIONAL & RETAILS

**One Stop Solution For
All Kinds Of Modular Furniture's**

ABOUT US

We are manufacturer of Office Modular Furniture & Educational Furniture based in Mumbai. We don't have any dealer or distributor & directly supply our products to end customers which reduces the final cost. We give special discounted rates for projects. Our clients are from corporate offices to home offices and educational institutions..

Trend Modular's offers complete solutions for all kinds of Office Modular Furniture & Educational Furniture. We provide wide range of high quality furniture with after sales services which includes workstations, storages, chairs& sofas, cafeteria furniture, cabin furniture, meeting room furniture, student's desks, library furniture, kids furniture, staffroom furniture etc. with free installation at site.

We develop different types of furniture and cater to different industries encompassing office furniture, institutional furniture, service sector furniture and furniture for residential purposes. For service sector we design and develop furniture for hospitals, banks, spas, salons, colleges, school, libraries, laboratories, and research institutes. We also supply furniture to IT companies in different parts of India, BPO offices, and KPO offices.

BENEFITS OF CHOOSING MODULAR FURNITURES...
